

BJW/NFCC P311 Interclub Time Trial – 18TH May 2021

We have 13 entries for this evening's event. Although it's not a massive entry, you will still need to not wait around at the HQ after sign on, and you all need to be leaving as soon as possible after the end of your ride. Also please do not bring anyone with you that does not need to be there.

Sign-on will be between 6.15 and 6.45pm. Sign-on after 6.45pm is not permitted and riders WILL miss the event. If you arrive before sign-on has opened please remain in your vehicle.

You are not permitted to travel to and from the event with someone other than from your own household, but those that are from the same household have a similar start time to reduce waiting time at HQ of those who are travelling together.

Please make sure you have all read and fully understood the [rider information pack](#)

If you are unable to make it, please send a message to 07786863827 to let us know.

Please remember to return your numbers to the bucket at the end of the ride. Do not obscure the view of the time keepers when doing this.

Payment is either contactless (card, phone, watch etc), or correct cash in an envelope with your name(s) on it. **NO CHANGE CAN BE GIVEN**

Don't forget your rear light, that must be visible and working, or you will not be allowed to start.

You do not need to bring your own pen as they will be individually provided and returned to bucket for disinfecting.

Race numbers are pin on. These **are** to be returned after the event. Please do this ASAP otherwise we end up sitting waiting for you. Once you have left your number you need to leave.

No more than 4 riders at the start. Do not arrive until 4 minutes before your start time. Also please try and avoid large numbers riding in Wellworthy way/Yeoman road by warming up elsewhere, but no warming up on the course after 8am.

Although static trainers are now allowed (at the discretion of the organizer) we have decided to not permit them, as we are using a public carpark, and it would highlight our presence to the general public.

Parking will be in the North section of the Ringwood Furlong carpark. Exact location depends on other cars parked there. Vehicles should be spaced with an empty bay between each vehicle, and away from the sign-on area. Parking is free after 6pm.
