### 2022 CLUB CLOTHING CATALOGUE

#### NOTES ABOUT PRODUCT ORDERING

A limited number of items are kept in stock. See pages 4 and 5 for details. Please contact Richard Eastham to purchase stock items and to enquire about sizes and availability.

#### CLUB ORDERS

On behalf of the membership, the club committee places two bulk clothing orders each year with Milltag, our kit supplier. The deadlines are 30<sup>th</sup> November and 30<sup>th</sup> May and all items need to be paid for in full by club members prior to the bulk orders being placed. Delivery time is estimated to be around 6 — 8 weeks so please consider when to place orders for items of summer kit and for winter kit.

#### DIRECT ORDERS

Outside these twice yearly bulk orders, direct orders can be placed with Milltag at any time. A minimum of three items of the same product is required (but these three items can be in any combination of sizes) for a direct order to be placed.

#### PRICES

The prices shown are for stock items only. Prices of new items ordered from Milltag may differ due to number of products ordered, bulk discounts etc. Confirmation of final prices can be made on request.
